Push

The image shows an Android lock screen with a dark purple and blue background. At the top, the time is 15:35, and the date is QUI, 8/09. Below the time, there are three circular icons: a camera, a phone, and a messages icon with a red badge showing the number 1. A notification bar at the bottom displays a message from 'SD' with the text 'A Seguro Directo tem uma nova proposta..' and the time 15:30.

Badge

The image shows an Android home screen with a colorful, abstract background. It features several app icons: Facebook (with a red badge showing 1), ASUS (with a red badge showing 8), Apps4U, Relógio, Email (with a red badge showing 2), Play Store, Google, Telemóvel, Mensag. (with a red badge showing 1), Navegad., and Câmara. A dock at the bottom contains icons for Telemóvel, Mensag., Navegad., and Câmara.

The image shows the WhatsApp app icon, which is a green speech bubble with a white telephone handset. It has a red badge in the top right corner showing the number 170.
